About Us

Cholo Krishi is a pioneering agro-products marketing company dedicated to transforming the agricultural sector through innovation, sustainability, creating entrepreneurs and farmer empowerment. Our mission is to bridge the gap between farmers and markets, ensuring fair prices, quality and authentic products, and a prosperous robust agricultural supply chain.

Our Mission

- Empowering farmers with modern farming techniques and market access.
- Delivering high-quality, authentic, and sustainable agro-products.
- Establishing a transparent and efficient supply chain.
- Promoting rural economic growth through innovative agribusiness solutions.

Our Vision

''To become revolutionized by contributing farmers livelihood, farming system and agriculture supply chain''

Why Choose Us?

- Commitment to quality and sustainability
- Strong farmer partnerships and community impact
- Advanced technology integration in agriculture
- Ethical business practices and fair pricing models

Our Products & Services

- Agro-Products Marketing: We ensure fresh, authentic, and Bio- rational agricultural produce reaches the right market.
- Supply Chain Management: Efficient logistics and distribution networks for seamless farm-to-market operations.
- Agri-Tech Solutions: Providing modern and smart farming equipment, organic fertilizers, and precision agriculture tools.
- Farmer Training & Support: Conducting workshops and training programs to educate farmers and entrepreneurs on sustainable practices.
- E-Commerce & Digital Platforms: Utilizing technology to connect farmers and entrepreneurs directly with consumers

Join Us in Growing the Future!
